THE LORD'S HIDDEN MESSAGE
IN MONEY

by

Jovah

The Lord's Hidden Message in Money, by Jovah, is an original, arresting and inspiring work that presents the author's spiritual insight with respect to our Lord's communication with us via various and sundry heretofore unrevealed media—most especially through the unlikely means of our money.

Says the author: "Now all who carry bills and coins can rejoice for the Lord has proclaimed His place through the Word of righteousness. *God is the Word*, and it is God that gives His people hope and peace the world could never give, at a time when the world looks the darkest. So, let the Son shine in!

"While the government states the value of the dollar bill has drastically dropped in value—'*Jesus*' has unveiled a hidden truth that enriches the dollar bill every time you look at it. *The Holy Spirit wants us to think more and more upon Him*, thereby growing closer to God and prepared for His coming.

**THE LORD'S HIDDEN
MESSAGE IN MONEY**

INTRODUCTORY HELPS

This book will reveal to you a truth never before seen concerning the money you carry daily!

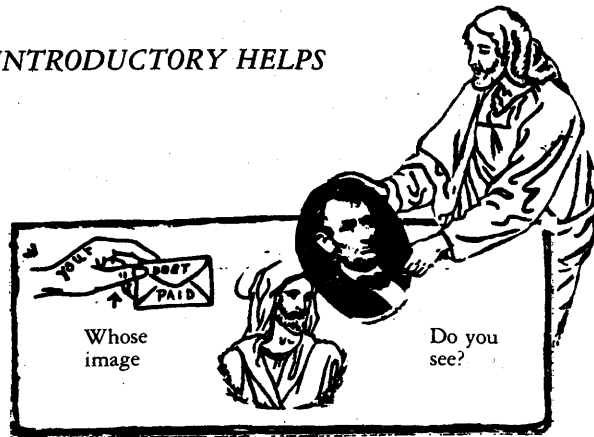

This book will break the power of the "666" and bring you into the glory of the "777."

This revelation has been hidden through the ages to be revealed in these last days to fulfill for God all things that must be known before "Jesus" comes again.

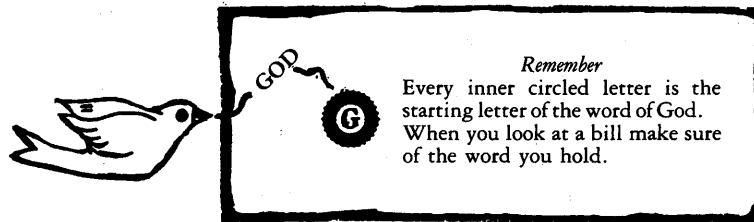

1. Look through the single eye of God and see the beloved Son "Jesus." This is so important to remember. When the people saw only the image and superscription of Caesar—the Lord told them to render the money unto him then. Now let God know that you can see his beloved son through it all!

INTRODUCTORY HELPS

2. There is *A special note* on the Bill's Father God wants you to remember. It states "*This note is legal (made under the law) tender (the tender plant) For all debts (His blood) public and private*" (sins known to the world and your secret sins also)—so when you see this writing on the money you carry remember that *God's Son made under the law* was the *tender plant given* to pay all your debts both exposed and secret by his own precious blood. *What a message!* In two small lines that says so very much.

3. *Every inner circled letter* on the left side is the beginning letter for the "Word" of God.

4. *The four inner numbers* are companion numbers for the circled letter. These numbers have a special meaning (message) that coincides with its mate letter word.

Take note that "God" has his companion number in the number seven (7). God is perfect and the 777 of God is made plain.

PREFACE

This book is dedicated to the sweet "Holy Spirit" who opened through his blessed word of knowledge the truth that has been hidden from the world for ages. Not until now has the revelation of God's message in the money that people carry been revealed.

Now all who carry bills and coins can rejoice for the Lord has proclaimed his place in the word of righteousness. *God is the Word.* It is just like God to give his people hope and peace the world could never give, at a time when the world looks the darkest. So, let the Son shine in!!!

While the Government states the value of the dollar bill has drastically dropped in value—"Jesus" has unveiled a hidden truth that enriches the dollar bill every time you look at it. *The Holy Spirit wants us to think more and more upon him,* thereby growing closer to God and being prepared for his coming.

As you read this book your life will be changed as far as your relationship with money. No longer will you be tempted by the love of money, *for the message on the bill will bring joy to your heart and you will render to God what is his—the word that means most to your heart. Of course you must let this miracle in!*

From now on let *your heart rejoice in the "Mark of God" which is the mark of perfection—"777" and that number is the mark of his life. The lamb without spot or blemish. Now and forevermore. Amen!*

THE LETTERS ARE WORDS—THE NUMBERS HAVE MEANING!!!

Man will never learn the end time nor anytime through evil—or knowing about evil—or searching out evil. You will learn all deep truths through the spirit of truth and only then will you become learned. Too many today are still so concerned about the number "666." They have not applied enough wisdom to the matter yet, to realize that if you find the truth out concerning "777" then you will know about the "666" and be able to discern the difference between good and evil! The tares have to be—to show up the wheat.

This is the *time to buy truth* as the scripture says, not the time to sell him out. Surely, the bridegroom cometh and even "now" is knocking at your door. *Hear Him!*

THE LORD'S HIDDEN
MESSAGE IN MONEY

THE "A" = ALPHA REVELATION
Number (1) = *First-born of all Creation*

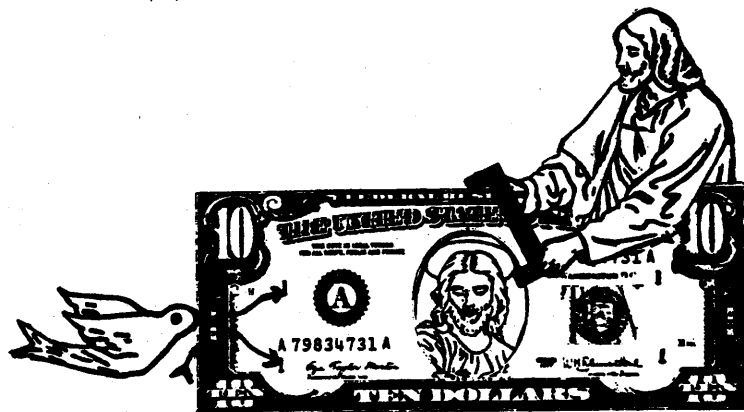

The hidden message concerning God's own beloved Son "Christ Jesus" our Lord.

God wants us to realize that he (Jesus) is the Alpha, which means the beginning. And not only was he with God in the beginning but what God was—he was! This is God's beginning in his Son "Christ Jesus" even though he is eternal he is not denied a beginning the same as he (God) gave to all men. This is God's great wisdom, and all the fulness of the Godhead is in him (Christ Jesus our Lord) bodily.

Not only was "Jesus" the first-born of all creation and all things that are made—are made by Him, through Him, and for Him, but he is also the "first-born" of the dead. In presenting himself as a living sacrifice from the dead and being received of his Father, we who were dead to "Christ" of God, now can be received of our Father because of our elder brother's obedience even unto death on the cross!

How fitting for us to recognize the Lord as our "Alpha"—for our "Father" placed him there and we must see him in all things in purity and holiness as the Lord reveals.

NUMBER (1) = FIRST-BORN OF ALL CREATION

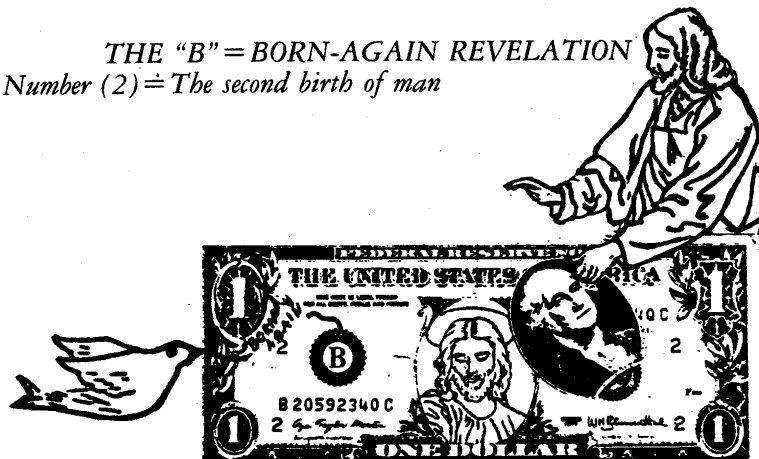

The relationship of our sovereign God with his number 1.

God's number 1 of course gives its glory to the first-born of all creation. Also the first-born of the dead! He is also the first-fruits of all righteousness.

The number 1 letter of the alpha-bet of course is God's Alpha. Each letter of the alpha-bet is numbered, and every letter is just the first letter of the hidden message "Word"—the Word that God reveals as he wills. So the saving grace of our God with his goodness reveals unto us his hidden message in the money we carry through his letters, numbers and most of all through his Holy Spirit for there is no other way for man to know the message and meaning thereof except the Lord give it.

God gave Paul to know no one can call "Jesus" Lord, except through the Holy Spirit. Of course many lips can say the word but only the Holy Spirit gives the soul to realize its meaning. So, through God we receive the meaning of the one Son (1) that brought many sons to glory! All praise by way of the Holy Spirit for that one (1) called "Jesus"—the Messiah of the world.

THE "B" = BORN-AGAIN REVELATION
Number (2) = The second birth of man

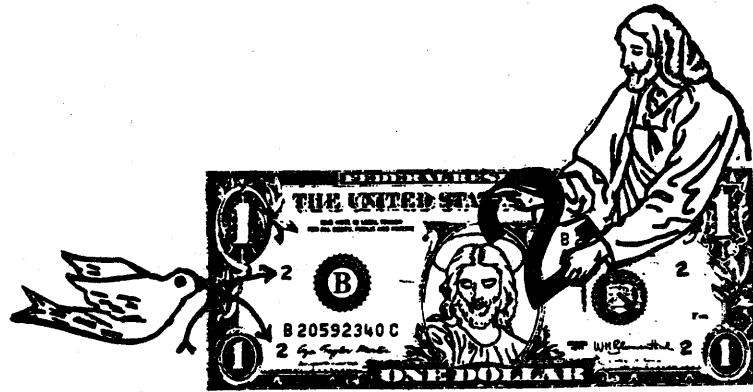

The born-again message was preached by our beloved Christ, the great apostle sent by the Lord to let us know there is no other way to enter into the "kingdom of God" except through the spiritual birth by the "Lord Jesus Christ" himself.

The letter "B" may bring many to the word "believers" but the Holy Spirit said "let this letter honor the ministry of my Son because believers have an opportunity to be saved, but may refuse the opportunity, yet every born-again child has been a believer that has acted upon the belief and been saved." The Lord also said "let this letter honor the ministry through the Christ as he preached this message, "Verily, Verily, I say unto thee except a man be born-again he cannot see the kingdom of God." (John 3:3)

Again the greatest preacher of all creation taught this in his sermon—(Matthew 9:16 & 17) "No man putteth a piece of new cloth unto an old garment, for that which is put in to fill it up taketh from the garment, and the rent is made worse. Neither do men put new wine into old bottles: Else the bottles break..." Our Christ brought Gods message "Ye must be born-again. Our lives are new, praise God for the life he gives!

NUMBER (2) = THE SECOND BIRTH OF MAN

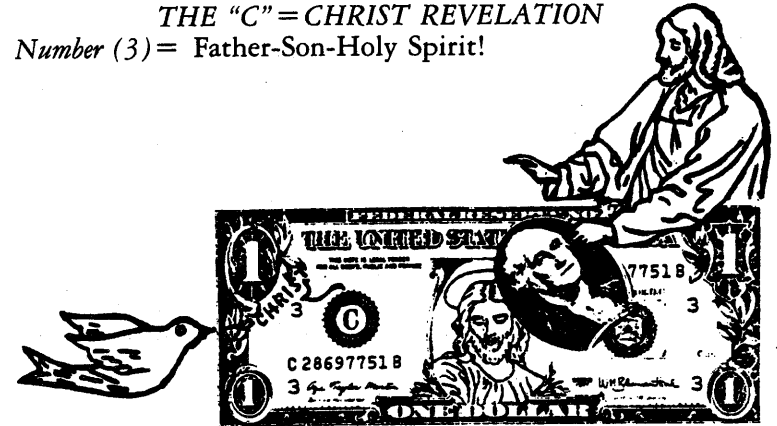

The second birth of man while he is here, is the birth that counts!

Our lord teaches us as he taught Nicodemus, that *one birth into this mortal life is not enough to save us*. We cannot be brought to God through the flesh but through the spirit. Man cannot understand the things of God through the natural birth or realm.

Here is the one that brought the message of the two (2) births that really enlightens us. He gave us to realize that being born the first time into this world we are still dead to God. *The two is in honor of the Son* that preached the message to the teachers of the day. Preaching an unwanted message to so many but lived and died doing the "Fathers" will and thereby saving us from the blind belief that man can live good enough by his own power to earn heaven as his home.

No wonder the "Father" brings us to the one that is the light of the world. Yes the one (1) birth is not enough for it is appointed for every man's soul that sinneth must die. So we die out to the natural birth of the flesh and *come alive in the God given (2) or second birth of the water and holy spirit*. Yes, Father, we do say praise the Lord!!!!

THE "C" = CHRIST REVELATION
Number (3) = Father-Son-Holy Spirit!

The body of "Christ" from the tomb proclaimed to man the third portion of God that is unconquerable! Our God came forth from the grave—from death itself and showed himself to the unbelieving world that he is the door of eternal life itself.

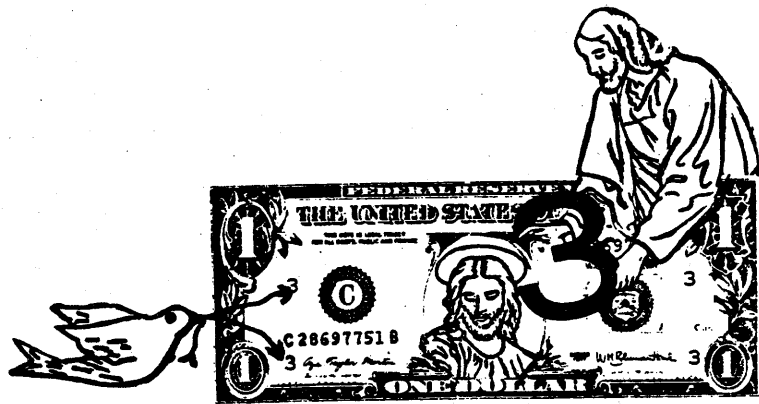

It was *the resurrected body* that made Thomas proclaim "my Lord and my God!" Nowhere else in scripture do you hear any of the 12 disciples proclaim openly to the face of "Jesus" that he is God almighty. Yet, here Thomas said it openly unto the Christ.

At the Mount of Transfiguration the chosen ones saw the garment (which represents the glorified body) *radiant* as no fuller's soap could make any garment. For *they saw the Garment of God!*

"Jesus" said *not to tell of his glorified body—or in other words not to relate the vision on the mount—until after his death. For the Christ was to have Eternal Life and not to die.*

Yes, *the "Christ" is the third portion of God of the one God that He is. The Spirit, the soul, and the Body of God almighty. What a God he is! What a Christ we serve!! We praise you almighty Jehovah God of all glory!!! Amen and Amen.*

NUMBER (3) = FATHER-SON-HOLY SPIRIT

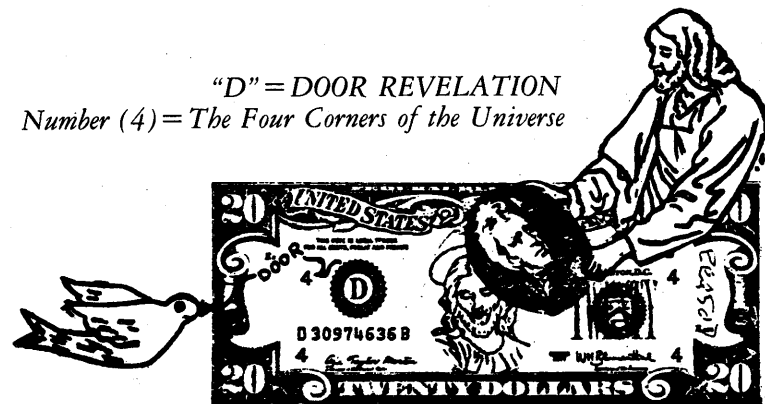

God's holy number (3) has its glory in revealing unto us God in his three portions as one God. Spirit, (Father)—Soul (Jesus)—Body (Christ) these three portions of God given unto us to see little by little until we can behold God as he is.

First the "Father" who always was and is and shall be. The Spirit that moved upon the face of the deep in the beginning. The life that was there always was the great Father Spirit of the universe itself.

Second the "Son" the portion of God that he entered into the womb one day with his power and brought forth of himself the Living Soul called the man "Jesus."

Thirdly the body that the grave could not hold, nor death claim to be victorious over it. For it was the third portion of God that prevails through it all. Making all Portions of God himself easily seen by man as he reveals himself to us in the three portions as the one God. Great is the three of God for it proves a complete work in itself to show him as he is.

"D" = DOOR REVELATION
Number (4) = The Four Corners of the Universe

He is the "Door" of God himself and we can enter into heaven no other way! Thus says the Lord!

In the book of "John" (which is the book of God's love manifest in such a great way—the bosom book) we find in Chapter ten (10:7) "Then said Jesus unto them again, Verily, Verily, I say unto you, I am the door of the sheep."

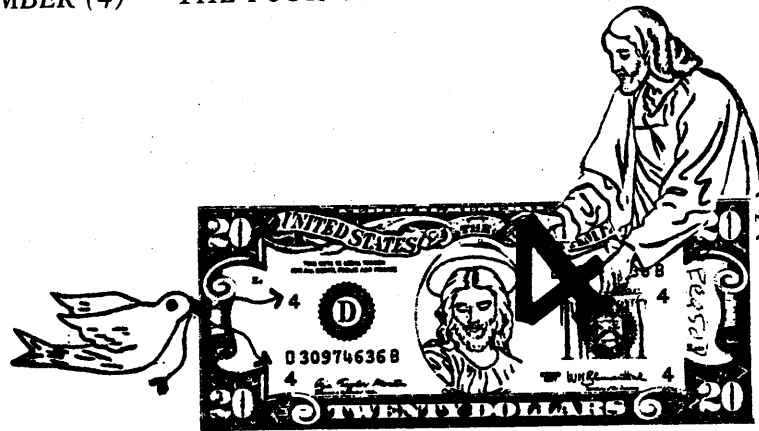

God has his Door and we can enter in no other way. Many need to hear the words said again—"I am the Door of the sheep"—paying tithes and fasting and doing all other things called good works will not get anyone to Heaven. The only way is the Lord "Jesus" himself. All other ways are that of thieves and robbers.

Truly the "Christ" is the Temple of the almighty God himself. The door is a part of that great temple. One does not separate the Doors from the house but it is a part of the house itself.

This letter "D" in honor of "Christ" tells us that God has only one way, and that one way is Jesus. Of course man can see "Christ" is our Deliverer, yet more important than deliverance is having the Deliverer and that means coming through the Door of God to get into that area. So the letter "D" stands by the Holy Spirit in this world as a letter of remembrance of how we made it to heaven and how we got out of the sinful world and the sinful world out of us. God's great Door—"Jesus"

How great is the "Door"—the dead has found a way out!

NUMBER (4) = THE FOUR CORNERS OF THE UNIVERSE

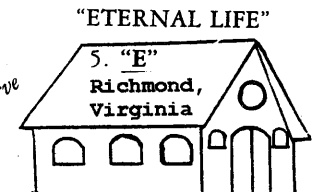

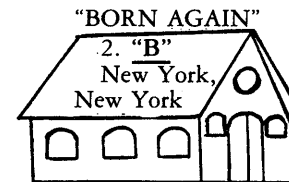

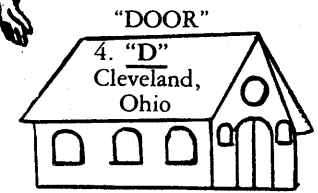

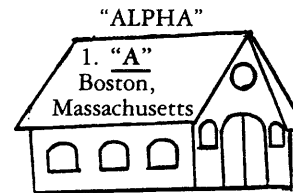

The Four Corners of the Universe. That is quite a Door for quite a room. The entire universe of God has its four corners.

How large is the universe? Well, the Lord told me this. And the one (uni) verse, in the bible—"Jesus wept"—compared to the entire book of books, that is how large the universe is to God in his world. You know the verse "Jesus wept" is the shortest verse in the bible. So, this universe's size that would confuse, or rock a man's mind is such a little area to God.

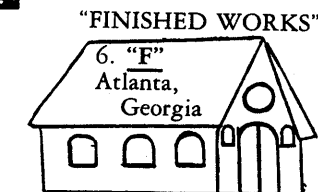

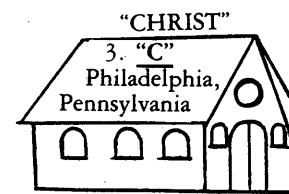

Yet, even that little area has its Four Corners! The Door to all those areas is our Christ Jesus. The four corners of Heaven. The four corners of the earth! These four corners of Heaven. The four corners of the earth! These four corners are the southeast, the eastnorth and the north west and the westsouth.

Perhaps you are not use to hearing it like that but it is that way. The four corners are not the four directions alone. Such as—north, south, east and west. But the corners take in all the directions twice around. A beautiful work of God. For we come through the doors of flesh and the Door of the Spirit and that is a complete work. For we have only one Father, all of us who know who our Door really is.

God had 12 Tribes of Israel, God had 12 Apostles, God has 12 areas that send out these "bidden manna messages"—breaking the power of people with the love us we can't serve two one and mammon as the word we carry dollar. "Jesus" satan that has a hold of of money. "Jesus tells masters. God He named as the other. Now we serve much more than the carnal means so much more to us!

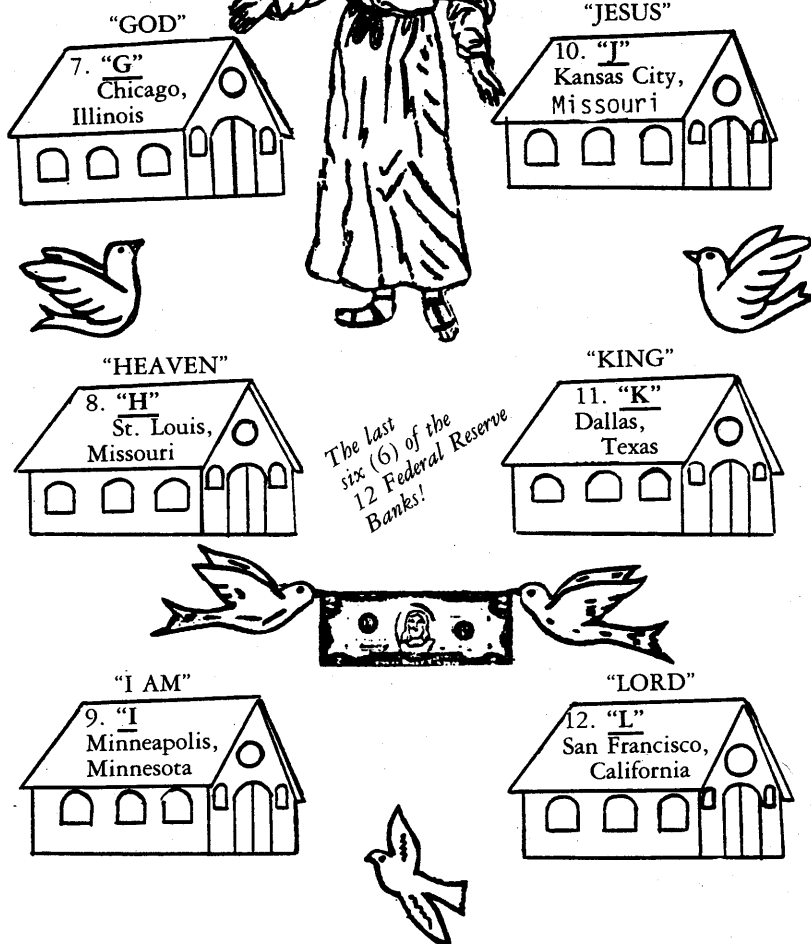

The first Six (6) of the 12 Federal Reserve Banks!!

Here are the remaining six areas of our king of glory.

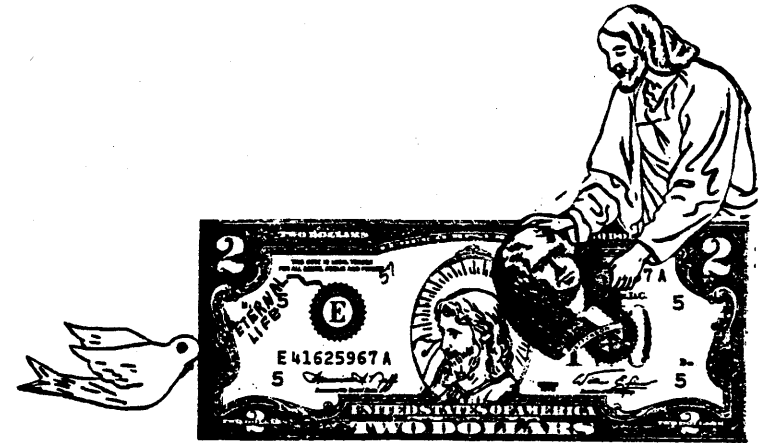

What joy! what a thrill because every bill you remanna message in honor of and saint alike can the Lord.

to receive a bill now, ceive has a true hidden our king "Jesus"—sinner carry a message concerning

The last six (6) of the 12 Federal Reserve Banks!

THE "E" = ETERNAL LIFE REVELATION
Number (5) = Eternal Life Discernment.

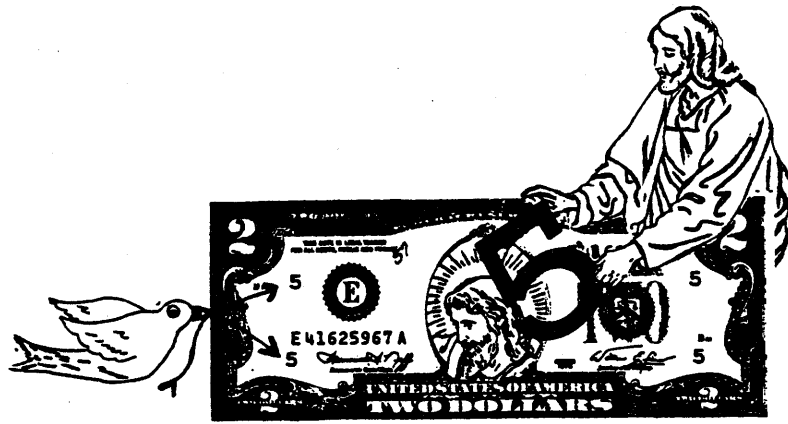

Eternal Life is through "Jesus Christ" our Lord. Eternal Life is in him! "I am come that they might have life, and that they might have it more abundantly." What is more abundantly? Having life for eternity. Not just for this world of mortality!!! But forevermore. Hallelujah!

"And this is Life Eternal, that they might know thee the only true God, and Jesus Christ, whom thou has sent. "You cannot" separate the Father and Son relationship.

Here is another big one, "For the wages of sin is death, but the gift of God is Eternal Life through Jesus Christ our Lord." Also—"And these shall go away into everlasting punishment: But the righteous into Life Eternal!"

Another passage from scripture is "whoso eateth my flesh, and drinketh my blood, Hath Eternal Life: and I will raise him up at the last day." Then this last one we bring forth "To them who by patient continuance in well doing seek for glory and honor and immortality, Eternal Life." Jesus is the Door to Eternal Life! We obtain that life through him and him alone. Praise him!

NUMBER (5) = ETERNAL LIFE DISCERNMENT

We must be able to discern the Holy Spirit, and its togetherness with us. If we do not discern between both good and evil how can we follow Christ and be in the Fathers will.

In the book of Matthew, 25th chapter, verses 1 through 13, tells of the heartache of lack of knowledge concerning the knowing of our Holy Spirit Bridegroom.

Five virgins were wise. They had the oil required—the ability to see—therefore they were ready when the Bridegroom came. The five foolish virgins did not have the oil needed to receive the Bridegroom into their hearts and lives.

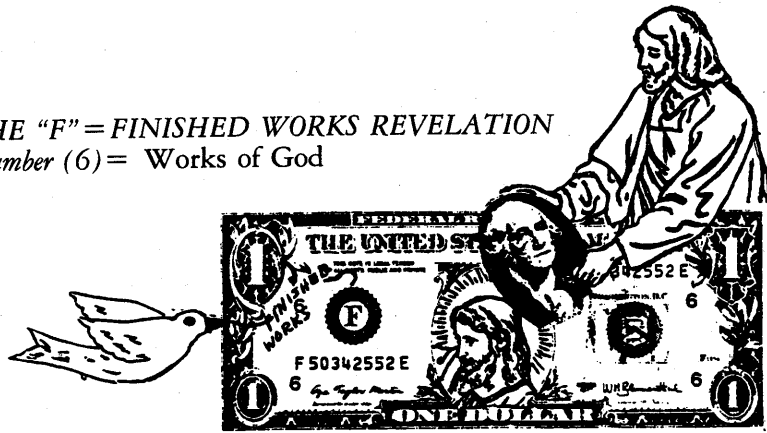

They all were virgins, they all had lamps. The foolish took no oil with them. We must have the Holy Spirit with us. If we do not we cannot receive Christ into our hearts and enter into his kingdom.

Take note of this parable. *Five (5) is very much the number* for us to consider. The five foolish felt they were alright. They did not realize the value of having the oil with them. Christ knows that many will say "Lord, Lord" in that day but He will say "Depart from me ye workers of iniquity, I never knew you."

The only way to have *true discernment* is through the Holy Spirit. When you have the Holy Spirit with you and in you, the evil one cannot deceive you. The wise virgins *went with Christ unto Eternal Life*. The foolish virgins lost out.

When you see the "E" with the number 5, remember to be as those 5 wise virgins and never be without the Holy Spirit. Do not go where He would not go. Now is the time to *trim your lamps* and make your calling and election sure in Christ Jesus.

THE "F" = FINISHED WORKS REVELATION
Number (6) = Works of God

The Finished Works of God! Truly no one denies the beauty of the Works of God. At least no one that really believes in the Lord.

The Finished Works of God came when God brought forth the day of rest and did rest therein. That made the seven days, or one complete week. Of course, it is God's time. A day may be as a thousand years and a thousand years as a day unto the Lord. Nevertheless it took that certain day to top off the Works of God to bring it to a day of completion and rest.

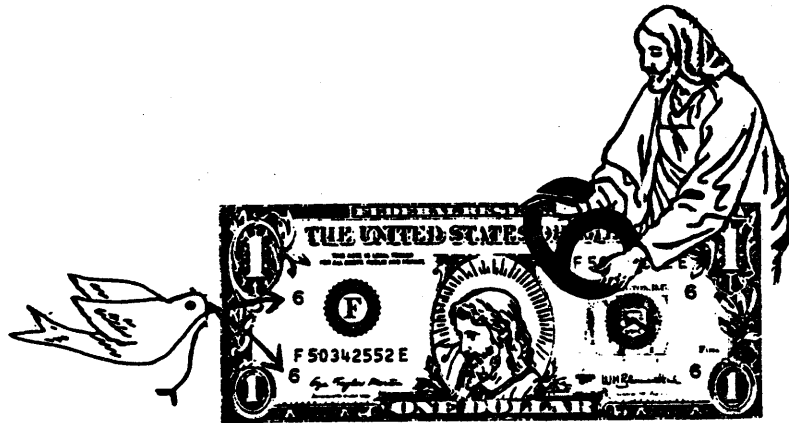

On the Cross of Calvary we find six hours and then the seventh hour *the completed work* was there. For Jesus said "It Is Finished." God the father Finished his work in six days and Jesus had his six hours on the Cross and then the work was finished. *So here we can see each hour as a day with the Lord, and a day as an hour.*

Jesus never started anything he did not finish. When Peter stated unto the Christ "not so, Lord!" Meaning no! Do not go to the Cross. Jesus rebuked satan that did not care for the things of God, but only for the things of man.

God wanted a certain work finished and he was determined to finish that work himself. He sent no other but came himself and finished the work of the Old Testament. *He fulfilled.*

God is not a halfway God. *Each time you see the bill that carries the letter "F,"* let your heart give thanks to God for the Work of the Beginning of all Creation. Also the finish of that time of law, that we might enter into another beginning with days of grace. We are in the days of grace now, because Jesus came and had *a Finished Work* for God almighty. *Remember Him!*

NUMBER (6) = WORKS OF GOD

The Works of God—number 6. I know that so much has been said concerning the “Mark of the Beast” and his number being 666, that the beauty of the number 6 of God has been covered.

It took God six (6) days to work his creation plan into existence for a complete work. *Six working days.* Whenever you see the number Six realize God’s Work. The seventh day was a day of rest. So the *six working days was God’s complete work time.*

Jesus had to hang upon the Cross, *six (6) hours,* then it was finished, a complete work. Not ten hours or eight hours or four hours, but *six hours.* So the number Six belongs to God in a very special way.

Looking at the six on the “F” bills, Think upon the Work of the Lord. The creation of the entire world. The Heavens and the earth. The redemption plan for fallen man. *The great plan of Salvation.*

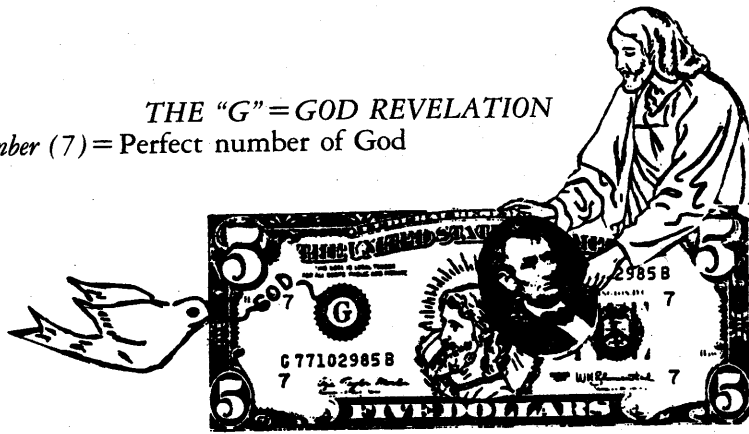

In the book of revelation you will find seven churches. In the *six churches* you will find a work yet to be done in repenting, or *severe tribulation such as in Smyrna.* Yet, out of the seven churches we

find the church of Philadelphia as a Sabbath Church. It was the one church Jesus found his love. The other six had the Works of the Lord still going on to perfect and complete.

Some claim 6 to be the working number of man. Really they claim it to be just the number of man. Be it so, that it is the number of man, *I know that man to be Jesus and the work—Calvary!!!*

How could you see anything greater out of *The “F” Finished Works revelation bill.* The six (6) companion number. It brings us the beginning with God and his Creation, and reconciled to God as he partakes of *that creation* for our sakes! Glory to the Father forevermore.

THE "G" = GOD REVELATION
 Number (7) = Perfect number of God

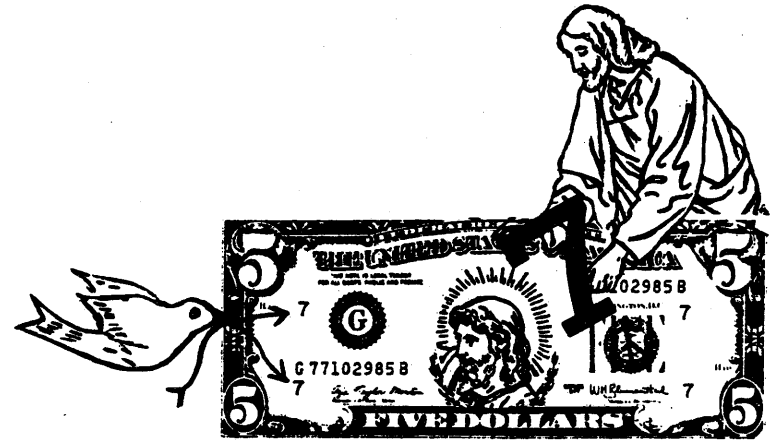

The "G" God revelation has a mystery, for we are told there is a mystery of godliness, and a mystery of iniquity, and a mystery of faith.

Some cannot believe yet that our God of all creation came into the womb of a woman and was formed as we are formed. *The God made man!* Some say God incarnate! But the God of all glory sent a portion of His Spirit into the womb of Mary and she became the mother of Christ our Saviour as the world knows, and God became the man "Jesus."

The ministry of Christ has these words "Be ye perfect, even as the Father is perfect." In the book of Genesis the 5th chapter and the 31st verse we find the years of a man called "Lamech" was *seven hundred, seventy and seven*. That is the 777 the perfect number of God. God has his days numbered we know from Genesis the first chapter and the second of Genesis tells us of the Lord's special day of rest. This is his number (7) and Noah was *perfect* in his generation coming from the loins of the one whose number of his years was 777.

God tells us *to be perfect* and that the perfect in him are saved. *He does not tell us we cannot make it.* He tells us to be as he is. *Perfect! Through the Holy Ghost it is done!*

NUMBER (7) = PERFECT NUMBER OF GOD

Without a shadow of a doubt (7) seven is the perfect number of God himself. He chose the seventh day to rest. He blessed it and sanctified it for it was in that day he did rest.

It is his choice to have seven churches in the book of Revelation, to head, and to have as his own personal dwelling place here in this world as the light to shine forth. The church is his candlestick. *Seven is a complete number.*

Now we go into the Old Testament and find the hidden truth concerning *the coming forth of the perfect God*, through the years of a man called "Lamach." His number of years was 777. His son, that which came from his loins was "Noah" *the perfect one in his generation.* The only one favoured in God's eyes worth saving of all mankind. His children also God spared.

What is God's hidden message? That only when we come through the perfection of God, can we obtain that place in God's eyes that is the saving grace for all eternity. *The church must be without spot, wrinkle, blemish or any such thing.* We come through the loins of our Lord "Jesus Christ." God's perfection complete 777.

THE "H" = HEAVEN REVELATION
 Number (8) = Saved Souls

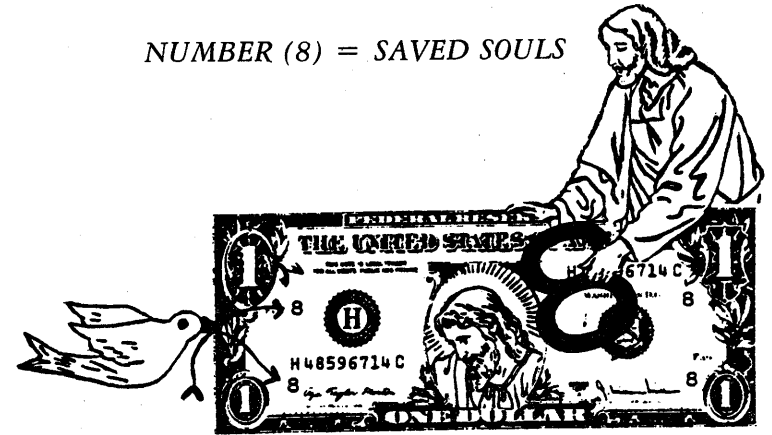

The letter "H" pays homage to the throne area of God himself. Heaven belongs to the saved souls and the companion number of the letter word—"Heaven"—is of course (8)

When we all get to Heaven perhaps you have heard the song or have sung it yourself. Regardless of that, "Jesus" taught us, lay up for ourselves treasures in Heaven where the corruption does not overtake the goods.

When you look at the bills that you receive and see the letter "H" you can turn your mind to the Heavenly Throne Room of God instead of a store here. You will see the area you were meant to think about. What a wonderful way to sit in the Heavenly places here with "Christ Jesus" our Lord. It does make a difference.

When you pass this bill to others show them the "H" and let them know the Heaven we come from and that we only pilgrimage through this land a small while. Help others to think of the higher place and you can with this bill revelation. Let the world see another image on the money and then you can truly dedicate it to the Lord!

NUMBER (8) = SAVED SOULS

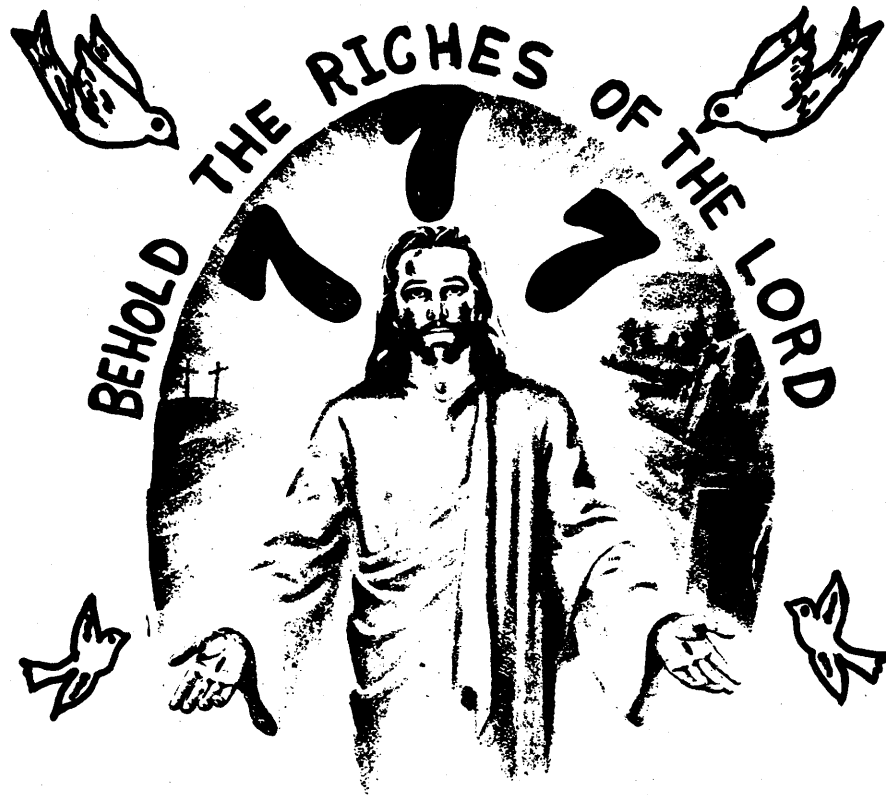

The number eight (8) brings us to the 8 souls saved in the days of Noah. Of course, it was a new beginning for the land a new beginning for the law of it given by our Lord God almighty. Man was to govern, and animals would be afraid of man. Government would be put upon the man's shoulders.

How wonderful to know that this glorious number the companion of the letter "H" (Heaven) is spoken of in the book of Peter chapter 3:20—"...while the ark was a-preparing, where in few, that is, eight souls were saved by water." In verse 21 of the same chapter we hear "The like figure whereunto even baptism doth also now save us..."

Yes, Heaven has a chosen number of saved souls. We are a like figure of those saved in Noah's day. The eight (8) is made by two circles. Circles represent the world, or earth, that we live in and on. We are those who are baptized into the death and resurrection of our Lord Jesus Christ. We come up a New Creature in Christ and Heaven is our home!

Born of flesh is one world, then born of the water & spirit is the second birth or born again world whereby we are the saved!

EVERY ONE CARRIES A MESSAGE ABOUT
"JESUS"

Hebrews 6:18—It is impossible for him to tell a lie!

John 16:16 "...and again,

A little while, and ye shall see me..."

John 11:25 "...I am the resurrection

Mark 12:14-18—In the 14th verse it states, "...is it lawful to give tribute to Caesar, or not? (When you see money who do you give tribute to?) Then in verse 15 it says, "shall we give, or shall we not give? (We know this is a matter of taxes, yet, God is opening a deeper place for us all to see. Can you give God the tithes and love offerings and still see the money with the image of man and the superscription belonging to him?) If that is what you see and nothing more then it belongs to the world.

Now, Jesus has revealed his image, through the Spirit, the world will not see, yet you will see! Praise God!!!

In Mark 12:16, they brought Christ a penny and Jesus asked them even as he asks you today. "Whose is this image and superscription? And they said unto him, Caesar's.

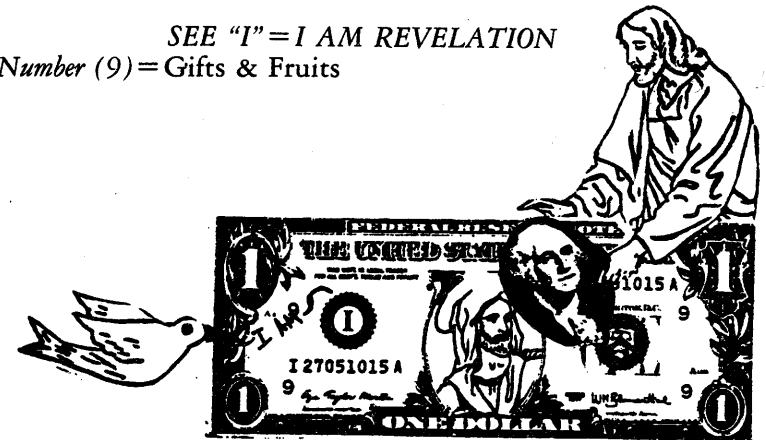

Mark 12:17 "And Jesus answering said unto them, render to Caesar the things that are Caesar's, and to God the things that are God's. And they marveled at him."

Jesus is still the same today. What do you see on the money in this world. Only Caesar, or the leader of the nation, some man either in the world today or one that has been noted as a national figure?

Through the Spirit you can see "Jesus." He is the letter word of the Spirit law of God. *God's world. More real than what is visible.* Don't give your money to God halfway, but all the way, it belongs to Jesus. Let the redeemed of the Lord say so!!!

When Jesus asks you concerning the image and superscription be able to say—through the Word, and the superscription—"In God we trust." *I see you God. Then he says—Give unto God entirely.*

SEE "I" = I AM REVELATION
Number (9) = Gifts & Fruits

In the book of Exodus 3:14, the Lord told Moses— "I Am that I Am." And he said, thus shalt thou say unto the children of Israel, I am hath sent me unto you.

It is good to know the name of our Maker and Redeemer and Saviour. *He is the "I Am" of all creation.* No one else has the "I" that God himself holds.

When Jesus told those who came after him in the midst of the night that "I Am He" pronouncing unto them that *he* was the one that they were looking for, they stumbled, or fell, backward.

They did not face a Lord who was trying to run or hide from them. No, *Jesus openly stated it was he they sought.* Judas was there to point him out for them, but Jesus was not trying to run away from the situation but had taught them all it was to come.

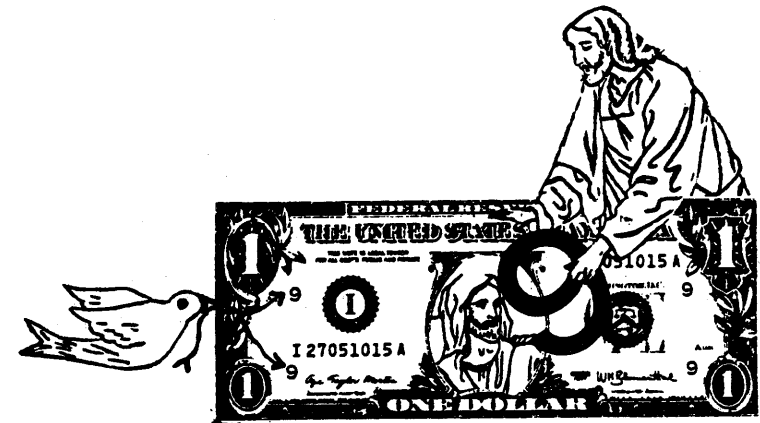

Whenever you see the letter "I" on the bill you carry or receive, remember the one who never put blame on others nor run from situations when it was up to him to proclaim his place in the midst.

The first man Adam, of the earth, put the blame on the woman, trying to excuse himself before God. The woman put the blame upon the serpent. Neither one repented before God.

Jesus—Our Adam, the last Adam, made a quickening Spirit, did not try to put any blame on anyone, instead took the blame upon himself. *Yes, God is always ready to say "it is I"—Making himself known unto man even when they do not want to hear it. He is the "I" of our soul, heart, mind and body. The single "I" of the heart.*

When you see George Washington on the bill, remember the one that it is *impossible for him to tell a lie. Yes Jesus says—It is "I."*

NUMBER (9) = GIFTS AND FRUITS

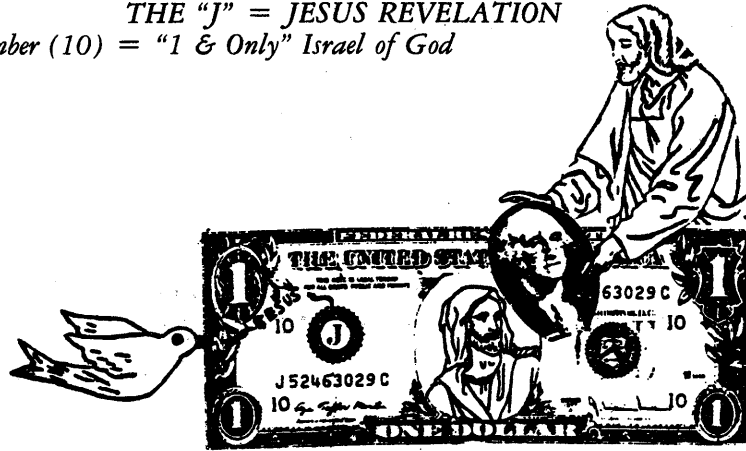

The number nine (9) which is the companion to the letter "I" is so fittingly placed there. For the great "I Am" is the greatest gift in our life. For we must have the Spirit of Christ Himself, before we receive the Gifts from him individually. The Holy Spirit gives the Gifts severally as He wills.

How can we have the fruits of the Holy Spirit—Our tree of life—unless we have the Spirit himself? Truly he is the first and most important of all gifts the "I Am" myself.

Now let us hear what *the Fruits of the Spirit* are—Galations 5:22-23—*Love, Joy, Peace, Long-suffering, Gentleness, Goodness, Faith, Meekness, Temperance.* (The sign of the Cross is placed in the word long-suffering)

The nine gifts from the great "I Am"—The holy ghost—are I Corinthians 12:8-10. Word of wisdom, Word of knowledge, Faith, Gifts of healing, Working of miracles, Prophecy, Discerning of Spirits, Divers kinds of tongues, Interpretation of tongues. So, when you see the "I" you remember he is the "I Am" that gives the (9) Gifts and the (9) Fruits of his own Spirit. How well they go together!! Amen!

THE "J" = JESUS REVELATION
 Number (10) = "1 & Only" Israel of God

The "J" that stands for "Jesus"—for hidden in the name "Jesus is the name of the Father also, "Jehovah means Salvation."

"Jesus" himself in the book of John 17th chapter, verse 6, said "...I have manifested thy name unto the men which thou gavest me out of the world: Thine they were, and thou gavest them me; and they have kept thy word."

Truly seeing "Jesus" made it plain that *Jehovah is Salvation*. For the Lord said he would the bitter cup pass from him but nevertheless, not his own will (the man) but the will of the Father be done. Letting the world know that *hidden in his own will as man was a greater will of the Holy Spirit*—the Father and saving Christ of us all. All glory to the Father who truly gave us the greatest gift of all creation in his Son "Jesus."

"Jesus" came to the world as he was sent by the "Father" to let us know that our Holy Father not only created the world and all that is in it, but that he knew how to save the lost portion of it that could be saved by his own blood. God, as Mary knew, is our Saviour. What the father is the Son is and what the Son is the Father is! You cannot separate them. *Jesus revealed it to the world!*

NUMBER (10) = "1&0"nly Israel of God

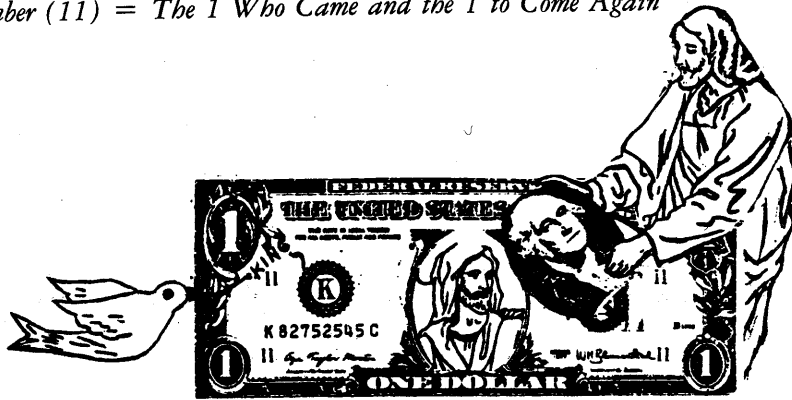

The number 10 is the first sacred two digit number. Yet the two amounts to the one true Israel of God. For God made the number 10 to be Israels number. When the 12 tribes of Israel divided the ten (10) went together and were called "Israel"—the other two tribes—"Judah" and Benjamin went together and they were the southern kingdom and the Israelites the northern kingdom.

Yet, the Israel of God was an idolatrous nation. They failed God time after time. Even after all the miracles God had done to prove himself to Israel, they did not come through for God. Instead they went the way of other nations of idol worshippers.

God said in Exodus 4:22—"And thou shalt say unto Pharaoh, thus sayeth the Lord, *Israel is my Son, even my Firstborn.*" God took Israel to his bosom in a beautiful way, but in the book of Malachi 1:6—"A son honoureth his Father, and a servant his master: If then I be a Father, where is mine honour? And if I be a Master, where is my fear? Saith the Lord of hosts unto you, O priests, that despise my name. And ye say, wherein have we despised thy name?—Well, *Father has his Son "Jesus" and his Israel, even his Firstborn and yes, Jesus is his name!*

THE "K" = KING REVELATION
Number (11) = The 1 Who Came and the 1 to Come Again

The king who came was our Lord "Jesus Christ"—Our king who laid a golden crown aside to wear a crown of thorns.

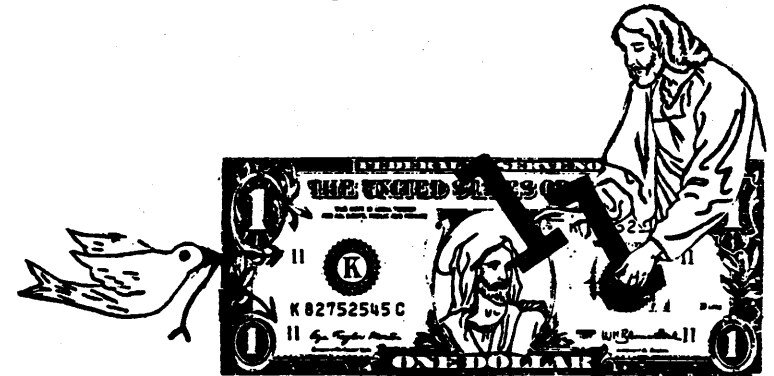

The garment of royalty he laid aside also to wear the garment of mortality, made in the likeness of sinful flesh.

As a lamb led to the slaughter he suffered death, and hell that you and I might escape the taste of death that laid before us. Through Him we gain a kingdom that is within our soul.

King Jesus was not here to sit upon an earthly throne. But to gain the hearts of men that he could send the comforter unto us from on high, after he paid the price for us, to be able to sit in glory with him forevermore.

By his Stripes we are healed. What a king! What love he has showered upon us, through the grace of our Holy Father that sent him unto us. The king held his peace and went to the Cross as a lamb to the slaughter. Though a king he came to serve. The letter "K" pays honor to the king of Glory.

NUMBER (11) = THE 1 WHO CAME AND THE 1 TO COME AGAIN

The number eleven (11) is of course the number of the disciples that followed Christ without Judas in the midst and before the other disciple was chosen to take his place. Therefore it was a going number in a certain space of time.

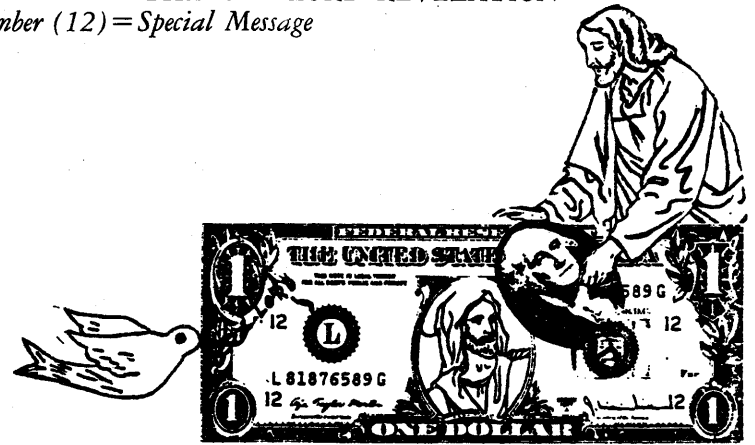

So it is with the number eleven (11) as the king who came once (1) as the servant Messiah. The hand of God is still to bring about the other time, that once again Christ will come. The king of glory! The same king but at a certain time. Both ones put together side by side give us that special number of the king who had no iniquity in him. As the body of followers had no iniquity in them when Judas was removed. True repentance had to be there. Peter did repent for the denial.

Jesus walked out into the body of waters of repentance to fulfill all righteousness. To take us into a path already walked by our great Leader and Master provided by God above. The Holy Father gave us only the very best he had to offer. All Heaven and Earth must bow to the greatness of God's gift for all.

When you see the eleven (11) with the letter "K" signifying that the king of our heart and soul has come once unto sin, to live and die here for the sake of the world that the Holy Father loves, remember that he will come again.

The two comings of our Lord, each for only one time, for once is enough. One to clear us of sin guilt by the shedding of his blood. The next time to take us home to glory that we might dwell with him forevermore. We must be the church without spot or wrinkle, or any such thing. Like the eleven (11) that held no Judas at all. Remember in a certain span of time it will all happen. The fulfillment of the Second Advent of Christ. Oh, glory to God!!!

THE "L" = LORD REVELATION
 Number (12) = Special Message

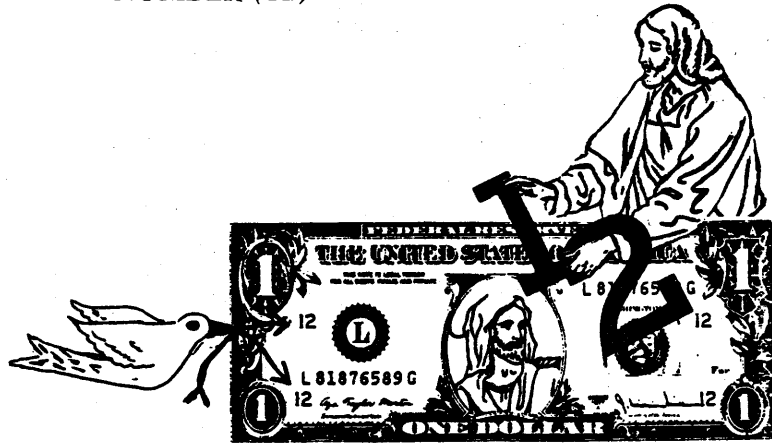

The Lord is my shepherd I shall not want." Happy is the people whose Lord is their God. Our Lord "Jesus Christ" is the true Christ over the universe, the Door of Salvation, the Lilly of the valley, the Rose of Sharon, the Rock we stand on the Hope of our future and the Author and Finisher of our Faith!

Whenever you see the "L" revelation bill, remember he is the Lord of Hosts himself. In I Corinthians Chapter 12, verse 3 it states "...and that no man can say that Jesus is the Lord but by the Holy Ghost." In the book of Acts—chapter 2:36—we find Peter ministering this message. "...That God hath made that same Jesus, whom ye have crucified, both Lord and Christ."

How wonderful to look upon the letter—(Lord) "L" revelation bill and see beyond the natural eye and see the Lord with his special message (12 apostles) yes, we see "Jesus" our Lord.

After the resurrection of "Jesus" Thomas said in the book of John 20:28—"...My Lord and my God." It is time for us to see him in places where others cannot see him, that we might be the lights of the world.

NUMBER (12) = SPECIAL MESSAGE

What christian mind does not think upon the 12 Apostles of the Lord when you see the number 12? Yet, how many leave out the one supreme Apostle of them all—Christ Jesus!

Hebrews 3:1 states, "Wherefore, holy brethren, partakers of the Heavenly calling, consider the Apostle and High Priest of our profession, Christ Jesus. So even though Judas was the betrayer—there still was 12 Holy Apostles—counting our Holy Christ!"

How often has "Jesus" been missed when remembering the many positions he filled here on the earth, and in it? He is the Bishop of our soul also, says the Word.

I would that every time you see the bill with the letter "L" and the companion number 12 with it you let yourself remember that he was that one Apostle in the midst that carried the strongest message in the world. The message of the "Holy Father" and the "kingdom of God."

You know that Apostle means—"A special messenger" one who carries a very special message, Yes, "Jesus" is that one that people often forget. *Let us remember!*

**"THE LORD'S HIDDEN MESSAGE CONCERNING THE—
EAGLE'S EMBLEM"**

The eagle emblem on the back of money (Strength of God)

A wreath of clouds—inside are thirteen stars (Christ & Apostles)

All the emblem with the circle of the world surrounding it as part of it. (Children of the Lord—The good earth)

The ribbon in the beak of the eagle's mouth (One out of many)

The wings and legs outstretched (High flight of message carried)

The olive branch with thirteen leaves and thirteen berries in the right talon (Signifies a Fruitful Branch)

The arrows of God from Christ and his apostles that are used to pierce the heart and circumcise it for God's use! (How often God does prick the heart and it is hard to kick against the pricks)

Tail of nine (9) signifies the nine Spiritual Gifts, and Holy Fruit of the Spirit.

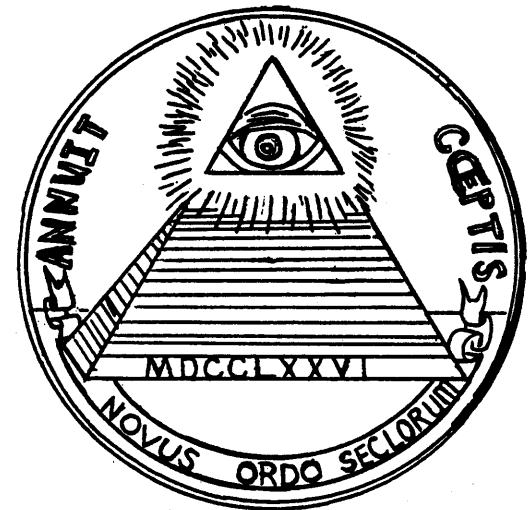

THE GREATEST EYE (I) IN THE WORLD!

The first thing we notice here is *the beautiful Eye of God* that broke the power of sin, death, hell and the grave. The year of the declaration of independence in roman numerals (MDCCLXXVI) on its base. Truly *our independence* from sin, death and hell is seen by the born again christian. *It was the "I Am"* that went for us to free our souls from slavery. Freed from the power of satan.

The pyramid is the greatest tomb of the world. The most lasting, yet, our God conquered it and broke its power. See *the Light of Christ all around the all seeing Eye of God*. (The world says this portion depicts an unfinished work. Yet, we see *the Finished Work* of God over the power of the tombs of the world.

The words "*Annuuit coeptis*" translated as "He (God) has favored our undertakings." Truly to walk in the conquering power of Christ is favored by our God. Then consider "*Novus Ordo Seclorum*." This stands for "*A new order of the ages*"—truly God has the New Testament. The days of grace. *The New Dispensation!* Glory to God!!! It all spells God, our Lord Jesus Christ and victory through the Holy Spirit! *Let God get the glory!!!*

"As you read this book your life will be changed as far as your relationship with money. No longer will you be tempted by the love of money, *for the message on the bill* will bring joy to your heart and you will render to God what is His—*the Word* that means most to your heart. Of course *you must let this miracle in!*"

Highly recommended as intriguing, spiritually uplifting and informative religious exegesis, *Hidden Message in Money* adds a solid block to the ever-growing edifice of good Christian literature. Indeed, it stands as a monument to the efficacy of Christ's love in this and all times.
